

Timeline ^[1]

The search recruitment period takes place from December – January, or until the position is filled.

The goal is for the search committee to complete the initial interview process in mid-February.

The charge to the search committee is to provide President Saliman with 5 – 7 top candidates for his consideration by mid-February.

The President's goal is to have finalist forums and small group meetings on campus in early April.

This timeline will be updated as needed.
