

Access and IT Security ^[1]

UIS is committed to protecting CU's information security.

Our charter includes developing and executing on policy for authentication to systems, technology usage and conducting risk assessments, along with many additional System Administration information security needs.

IDENTITY & PASSWORD MANAGEMENT

CU IDENTITY MANAGER

CAMPUS ACCESS COORDINATORS

ONBOARDING & EMPLOYEE MANAGEMENT

Have questions?

Email access@cu.edu ^[7] to speak with a member of the UIS Access and Identity Management team.

Learn more about the Identity & Access Management team

The Identity and Access Management (IAM) team serves the entire CU community in partnership with CU campus IT departments, CU campus IDM/IAM teams, campus security approvers, and other business stakeholders.
